

Te Kura Maori o Nga Tapuwae

NEW BUS COMPANY - 7th November 2024

Tēnā koutou e ngā mātua,

It was a pleasure to welcome our new bus drivers from Coachways NZ to our Kura earlier today where they were able to meet all of our bus students in preparation for their start date on Monday 11th November.

Students have been reminded about following the school rules including using their manners, being polite and courteous to our new drivers and upholding our high expectations of good behaviour while riding as a passenger on these buses.

We will ensure seat placement is redesignated for each bus and students must remain in that seat for the entire ride until they arrive to their drop-off points.

As the Coachways depot is based in Ihumātao, please take note of new pick-up and drop-off times and locations starting on Monday. A copy is **attached** for you to go through together at home with your child/ren.

Finally, as a reminder, senior students on the buses are not monitors for Kura Tuatahi or junior students and will not be made responsible for them or their behaviours. If the bus rides are too long for younger students to stay seated and behave appropriately, we will be asking whānau to make other arrangements. Any concerns regarding bus behaviour or any bus queries in general can be forwarded to info@ngatapuwaee.school.nz

Ngā manaakitanga,

Arihia Stirling
Tumuaki
