**HARANIA WATERWAY DATA TRIP**

**Wednesday 21<sup>st</sup> February 2024**

Tēnā koutou e ngā Mātua,

The Level 1 Science students will be travelling to Harania stream on Wednesday 6<sup>th</sup> March as part of their work towards AS1.2 Investigative Approaches. We will be working with Wai Connection to collect data and observations about the health of the waterway.

We will depart school at 12.40pm so students can eat lunch at school as normal. Your child will be wearing school uniform but will need waterproof, covered shoes. We arrive back to school before 3pm so normal collecting of your child will remain the same.

This trip has no cost as all the required equipment is provided free of charge by Wai Connection.

Please endeavour to have this permission slip returned to the Kura no later than Friday 1<sup>st</sup> March 2024. If you require further information, please contact me on 551 – 6161.

Noho ora mai,

Miranda Erama
