Friday 18th June 2021

Tēnā koutou e ngā Mātua,

Te Kura Māori o Ngā Tapuwāe has agreed to participate in the bicycle skills training programme delivered by He Oranga Poutama. The programme is aimed at delivering best practice cycle skills training. The training will take place Monday 21st – Thursday 24th June during school hours.

Two grades of training maybe delivered, with trainees being assessed following the completion of each grade. Grade 1 is taught in a non-traffic environment to enable skills to be developed. Grade 2 builds on the skills of Grade 1 and is taught on lightly trafficked, single-lane roads. All trainees' skills will be assessed prior to training on the road, and full risk management procedures are followed to ensure the safety of all trainees.

Your child will need:

Closed toe shoes

To be able to ride a bike (**please let the school know if your child is a complete beginner**)

Please endeavour to have this permission slip returned to the Kura as soon as possible. If you require further information, please contact me on 09 551 - 6161
