HARANIA WATERWAY INVESTIGATION TRIP

Wednesday 21st February 2024

Tēnā koutou e ngā Mātua,

As part of their Science program, the WA10 students will be travelling to Harania stream on Wednesday 6th March 2024 to collect information for their work towards AS1.1 Local Issue. We will be working with Wai Connection to collect data and observations about the health and management of the waterway.

We will depart school at 10am. Your child will be wearing school uniform but will need waterproof, covered shoes. We arrive back to school before lunch so students can eat lunch at school as normal.

This trip has no cost as all the required equipment is provided free of charge by Wai Connection.

Please endeavour to have this permission slip returned to the Kura no later than Friday 1st March 2024. If you require further information, please contact me on 551 – 6161.

Noho ora mai,

Miranda Erama
