## **STUDENT LED CONFERENCE REPORTING**

Tuesday 16<sup>th</sup> August 2022

Tēnā koutou e ngā Mātua,

This panui is a reminder that we have our student lead conferences beginning next week from Monday 22<sup>nd</sup> to Thursday 25<sup>th</sup> August. All conferences will be led by your child and they have prepared a dialogue of their mahi so far this year. This will give your whanau their perspective of how they are tracking and progressing with their curriculum work. This is also an opportunity for them to celebrate their success and areas they need support in.

### **Skoolloop app**

We will be utilising the skoolloop app for booking your conference timeslots. Please familiarise yourselves with how to function the app. Additional information on how to download, subscribe to whareako groups and book conferences can be found on the kura website.

Skoolloop conference times will vary between 3pm and 6pm. As soon as you book the ideal slot you will be sent a notification. Please ask your child who their intended Whare Ako teacher will be on the night so you are booking the right teacher.

We have intentionally spaced out the conference times and spaces within the Kura as we are aware of covid within our Kura community so we have limited the amount of people that will be required onsite. We also encourage you to wear a mask on arrival and sign in at the main office for further instructions on where your conference will take place.

### **Kura Tuatahi Student led conference**

The student led conference for our Kura Tuatahi students is scheduled on Monday 12<sup>th</sup> – Wednesday 14<sup>th</sup> September week 8 of this term and will be active closer to the date for you to book your slots via skoolloop app.

If you require further information, please contact me on 551 – 6161.

Noho ora mai,
